### From the Deputy Principal:

It has been a busy few weeks here at MPS and times are about to get busier with our year 3, 4 and 5 camps all taking place over the next few weeks.

#### Fathers' Day

I hope all of our dads, stepdads and grandads enjoyed being spoilt last Sunday. Many of our students were very excited to buy gifts for the special men in their lives. I would like to thank Jack Leclercq for organising the Father's Day stall and all the volunteer parents and grandparents who organised gifts and/or assisted on the stall. Your help is much appreciated!

#### Year 3 Camp

Our Year 3 students are about to experience their very first school camp. The aim of our camping program is to provide opportunities for students to appreciate the simple things in life whilst developing positive relationships, life skills and resilience in a caring, supportive, outdoor environment. For some Year 3 students, many have never spent the night away from their family before, so it is a new experience for both students and parents. I would like to thank every staff member involved for providing this opportunity to our students, as well as the parent helpers and Mr Kirkwood for helping to set up the camping area. Great team effort!

#### Year 5 Camp

Our Year 5 students have headed off to Morisset Outdoor Education Centre for their annual school camp. They will enjoy activities such as abseiling, giant swing and high ropes; as well as developing their teamwork skills and building resilience. A big thanks goes to the stage 3 teachers and parent helpers who have given up their time to provide this opportunity for our students. We know this will be a fantastic experience for all involved.

#### Regional Athletics

A big congratulations to all MPS students who participated in the Hunter Regional Athletics Carnival at Glendale last Friday. Our students achieved some fantastic results which are outlined in our sports section. Well done to all students, you represented yourselves, your families, our school and our zone exceptionally well and we are all proud of you.

Thanks to all our families for the fantastic support of your children and our school.

*Clive Kerrigan* - Deputy Principal

## ACADEMIC CORNER – BROUGHT TO YOU BY 5/6S

*5/6s have had a busy and enjoyable term so far.*

In history we are learning about the early days of European Settlement in Australia. We have been looking at the reasons for European settlement, and the impact that had on Australia both then and now. This week we have been making Wanted Posters for introduced species that are now considered pests in Australia.

We have been working very hard in writing, working on pieces about convict children and bullying. The students are focusing on increasing their use of connectives and complex sentences, as well as improving the structure of their information reports.

In Science we have been discovering lots of new things about space and the way our solar system works. We were amazed to find out how small Earth really is compared to the rest of the universe.

We are loving our Gymnastic lessons. Each week we get to try new things we may not have had the chance to do before, as well as improving our fitness and skills.

Book Week was a highlight of our term so far, with everyone thoroughly enjoying the chance to dress up and celebrate. BY MRS SANSON AND 5/6S

# THIS WEEK'S SPORTS REPORT

## *Thank you and Congratulations*

Thank you to all the runners, who trained this year for the relays. Their efforts showed up in their changes at the Zone Carnival at Singleton. Following Zone, the Junior Boys and Senior Girls qualified for Region. The Junior Boys, Tyler, Levi, Caiden and Jack ran a terrific race coming in 2<sup>nd</sup> overall in 1:01:76, 33/100ths of a second behind the winners. They now move onto state in November.

The Senior Girls unfortunately ran their race in extremely wet conditions and produced a good run but didn't gain a place. Congratulations to everyone who ran – you were a credit to your school.

By *Jan Ingle*

## BRIAN KIRKLAND CUP

Students who are competing in the Brian Kirkland Cup on the 10th September 2019, need to ensure they have returned their permission notes to Miss Coward as soon as possible. Thank you to Mr Bayliss for taking the team while Year 4 are away at camp and to Mr Baker for helping with the organisation of the team.

## STUDENTS OFF TO STATE ATHLETICS

Congratulations to all the students, who participated in the Regional Athletics Carnival on Friday 30th August at Glendale. MPS sent a total of 17 students to compete in a variety of track and field events. We know you would have done us proud.

8 students were successful in their events and will now progress to the State Athletics Carnival held in Sydney on the 6th and 7th November. This is an exciting achievement and our school community are super proud of the following students:

**Ryan H** for 11 Years Boys Shot Put

**Shontanye H** for Snr Boys Shot Put and Snr Boys Discus

**Charli K** for Jnr Girls Discus

**Tyler M** for 11 Years Boys Long Jump

Jnr Boys 4x100m Relay team comprising of Jack A, Levi S, Caidan W and Tyler W

*A huge thank you to Mr Ingle who has been training the boys relay team in preparation for these events.*

## PSSA TOUCH FOOTBALL

Our girls team will play against Singleton Heights Public School on Friday 13th September in Singleton. With Year 5 on camp this week and Miss Hassett away on camp the following week, please return your permission note as soon as possible.

# state dance festival

Senior Dance students will be attending the State Dance Festival on Monday 9<sup>th</sup> September 2019.

Students are required to be at school by 7:45am. The bus will depart at 8am sharp.

Students are to bring snacks for morning and afternoon tea, as well as lunch. Students will purchase their own tea at Broadway Shopping Centre. Please send \$20 with your child (they will be responsible for their own money).

Tickets are available to purchase. Please phone Seymour Centre Box Office or visit their website.

Students are asked to wear full school uniform. Please pack their dance costume and makeup in their school bag.

Parents are welcome to jump on-board the bus for \$30. This will help the school subsidise the cost of the bus.

**Please note that late payments cannot be accepted. Please ensure payments are made to the office no later than Thursday 4<sup>th</sup> September 2019.**

## REMiNDER: MESSAGE FROM OSBORN'S MUSWELLBROOK

*Just a reminder for all students while waiting at bus stops. Please be respectful and mindful of other people and their property. Whilst waiting, please do not climb trees or walk through their yard. If you have rubbish, please make sure you take it with you and do not leave it in their yard.*

**If you have enrolled your child in Kindergarten for 2020, please ensure that you book in your child's transition sessions.**

**Please phone the office on 6543 2500 to book them in!**

# Enrolment policy

## Information for parents

The Enrolment of Students in NSW Government Schools policy is in place to assist schools to meet their obligations under the *Education Act 1990* - to ensure that every student has a place at their local school. The policy also communicates to staff and the community a transparent enrolment process.

### Why was the enrolment policy revised?

Across the state, many communities are changing. Some are growing at rates never seen before. Some schools that used to be able to accept out-of-area enrolments, no longer have the room to do so.

The revised policy is designed to support schools to manage all enrolment applications, encourage greater consistency in decision-making and make sure the enrolment choices are clear for parents.

### What are the changes?

#### The enrolment cap

The enrolment cap is the number of students that can be enrolled at a school based on the school's permanent accommodation. The enrolment cap tells us whether the school may or may not have the capacity to accept non-local enrolments. It is not a target or limit on the number of local enrolments a school can take.

Each school with a local intake area will have a cap set by the department from Term 4 2019.

Within the enrolment cap, a number of enrolment places (the buffer) must be kept aside for the likely number of local students who will need to enrol during the year. For this reason, a school will not take non-local students once they reach their buffer, unless there are exceptional circumstances.

#### 100-point residential address check

Parents planning to enrol their child at a school that is near or at their buffer or cap will be asked to complete the 100-point residential address check to confirm they live within the school's designated intake area. This means you will need to provide documents to verify your child's current address.

So that schools only seek information relevant to your child's enrolment, a list of approved documents for the residential address check is available from the school or the department's website at <https://education.nsw.gov.au/policy-library/policies/enrolment-of-students-in-nsw-government-schools>.

#### Selection criteria for non-local enrolment

Sibling enrolments are now clearly prioritised (where possible) and selection criteria for non-local enrolment will not include student ability, performance or achievement.

### What has not changed?

Schools will continue to enrol students who live in their local intake area, regardless of the school's cap status.

There are no changes to enrolment rights of siblings of non-local students. In schools with available places, each enrolment application is considered on its merits, including if siblings currently attend the school. If the school is below capacity, out-of-area applications for siblings of current students will be given enrolment priority.

Schools will continue to provide families with support and advice during the enrolment process, including assessment of exceptional and compelling circumstances particularly for vulnerable students and their families.

Schools will also continue to apply the policy fairly and consistently using transparent and accountable processes when making decisions around enrolment applications. Parents have a right to appeal to determine whether the stated processes have been applied in a procedurally fair manner.

### But what do the changes mean for me?

#### What if my child is already enrolled but we do not live in that school's intake area?

Your child will remain enrolled at the school as the revised policy does not affect students already enrolled in NSW Government schools.

#### We were in area when my child was enrolled in the school. The department has since changed the school's boundary and our residence is now out of area. I have other children and I want them all to go to the same school.

##### What are my options?

At times it is necessary for the department to make adjustments to a school's local enrolment intake area. This could mean a family with a child/children already enrolled is then outside the local intake area. When this happens, the family will still be able to enrol siblings together at the school, regardless of whether the school is over the buffer or cap.

### I already have a child enrolled as an out-of-area student in a NSW Government school. Can I enrol my other children at that school too?

This will depend on the capacity of the school:

- If the school is **not near its buffer**, then siblings should be able to be enrolled at the school. In fact, siblings of students currently enrolled will be prioritised, where possible, over other non-local enrolment applications.
- If the school is **nearing its buffer**, then the school will form a non-local enrolment panel. The panel considers non-local enrolment applications when the number of non-local applications received exceeds the number of places available below the buffer. Again, in this instance, siblings of students currently enrolled will be prioritised, where possible, over other non-local enrolment applications.
- If the school is **at capacity** they will not accept non-local enrolment applications unless there are exceptional circumstances.

### I have already accepted an offer for my child to attend a school in 2020 that is not my local school. What happens now?

The enrolment will proceed. Non-local enrolments accepted before Term 4 2019 for students starting in 2020 should not be affected.

### What is the criteria for enrolment in a school that is not my local school?

Schools that are able to accept non-local enrolment applications establish a non-local enrolment selection panel, if demand exceeds the number of places below the school's buffer.

Schools are required to make the selection criteria available to the school community.

### My circumstances are challenging and I think this school is best for my child. We live outside the school's intake area. What should I do?

We understand that not everyone's circumstances are the same, and that there are instances where exceptional circumstances will need to be considered.

Your circumstances should be discussed with the principal of your local school who can assist you to negotiate an out-of-area enrolment if there are exceptional and compelling circumstances.
